CA. Mohit Singhal
Vice-Chairman

Dear Professional Colleagues,

With deep regard I would like to thank the members of Gurugram Branch of NIRC of ICAI for giving me an opportunity to serve as Vice Chairman of this esteemed branch. Thanks for entrusting upon us this responsibility to take the legacy further. I would also like to thank the previous management for the efforts they have put in to bring the Branch at this level today.

I would also like to congratulate our newly elected President CA. Nihar N Jambusaria and Vice President CA Dr. Debashish Mitra for the year 2021-22.

Successful teamwork is built on the foundation of trust. Each member of the team must establish trust, cultivate trust through their actions and work towards maintaining it. Each member also needs to trust their team members to make a commitment to the team and work diligently towards achieving the goals set out.

Passion is the powerful feeling of enthusiasm we all have inside of us. When we are enthusiastic and proud of the work we do, the better equipped we'll be to overcome the obstacles that will surely arise in our professional life. Also, the more enthusiasm we have, the more inclined we are to work harder and improving ourselves. Ensuring we are passionate about our work will provide us with both, a meaningful career as well as excellent financial opportunities. It is passion which differentiates between the ordinary and the extra ordinary. One of the most successful companies in the world today is Apple whose ex-CEO, the late Steve Jobs, said, "The only way to do great work is to love what you do" and claimed that the passion he had for his work made all the difference.

With this, I thank everyone once again for their continuous support and guidance for entrusting me the role of branch secretary for year 2020-21. I would continue to offer my services for the benefit of the profession in whatever role I get for upcoming year. All feedbacks, suggestions and grievances are always welcome.
